

## LEAPFROG HOSPITAL SAFETY GRADE

In the spring and fall, Jefferson's three New Jersey hospitals — located in Cherry Hill, Stratford, and Washington Township — earned "A" grades in patient safety from The Leapfrog Group, a national nonprofit healthcare ratings organization. Leapfrog Hospital Safety Grades evaluate hospitals nationwide on their performance in patient safety and outcomes.

As part of *U.S. News & World Report's* **2020-21 Best Hospitals rankings**, Jefferson Health - New Jersey ranked 9<sup>th</sup> in NJ; 11<sup>th</sup> in the Philadelphia metro area; and High Performing in Congestive Heart Failure, Chronic Obstructive Pulmonary Disease (COPD), Knee Replacement surgery, and Hip Replacement surgery.

Jefferson - NJ was named the winner of an international **Project SEARCH**

Project | SEARCH®

award in the category of *Innovative Employment*. The award recognizes our commitment to provide internship opportunities to young adults with disabilities — allowing them to achieve quality jobs and rewarding careers.

Jefferson's NJ hospitals received the American Heart Association/ American Stroke Association's *Get With The Guidelines® - Stroke Gold Plus and Target: Type 2 Diabetes Honor Roll™* awards, recognizing our

commitment to ensuring stroke patients receive the most appropriate and efficient treatment.

American Heart Association®

Jefferson Health - New Jersey was named the 2020 recipient of the American Heart Association's **Heart of South Jersey Award**,

presented at the virtual AHA Southern New Jersey *Go Red for Women Luncheon*. The award celebrates our efforts to support and advance women's issues by promoting a healthy lifestyle for all.

Jefferson Health - New Jersey was honored with a

**Companies That Care Award** from the Commerce and Industry Association of New Jersey (CIANJ) in recognition of generous donations provided through our Devine Fund for Employee Assistance. Since 2006, this fund has helped more than 500 employees facing unforeseen financial hardship, giving out more than \$700,000.

Jefferson's three New Jersey hospitals were each again awarded **Exemplar status** for their NICHE (Nurses Improving Care for Healthsystem Elders) program. The

Jefferson Health Care Center, a sub-acute rehabilitation and long-term care facility, was also recognized as a NICHE **Member**.

Jefferson's New Jersey hospitals were awarded the NJ Department

of Health (NJDOH) **2020 NJ Gold Antimicrobial Steward Award**, in recognition of their ongoing antimicrobial stewardship program and promotion of antimicrobial stewardship practices.
