Dear Patient:

I hope your recent visit to Jefferson Health New Jersey was a pleasurable one. It has come to our attention that you may be eligible for our New Jersey Hospital Assistance Program (NJHAP).

The following documentation is required to complete your NJHAP application:

1. ID – driver’s license, social security card, passport or birth certificate (for entire family).
2. RESIDENCY – driver’s license, lease, current utility bill or a letter from the person you live with stating you were living with them at your date of service.
3. ASSETS – value of stocks, bonds, cd’s, life insurance, 401(k), 403b and bank balance(s) as of your date of service (if not original the rep must sign, stamp and attach their business card).
4. INCOME – last 4 weeks of paystubs, social security award letter, pension award letter, letter of support (if unemployed), most recent tax return and last 3 months profit and loss (if self employed).

If you have any questions or to make an appointment please call (833) 958-2198.

Sincerely,

Jefferson Health
